

# ORDERING INSTRUCTIONS

**We have two new vendors for the spring 2013 rowing season.**

Our first vendor is Henson Group Sports. We will be using this vendor for our unisuits. These unisuits are worn during regatta competition. All rowers are required to have the unisuits for the spring season (exception are current seniors). I will have sizing samples at the parent/rower meeting on Friday, March 8. The cost for the unisuit will be determined by the actual number of orders placed. The cost will be between \$64-\$70. Please be prepared to pay with a check for this clothing item.

**Deadline for ordering unisuits is at the parent/rower meeting**

Our second vendor is Kings of Merch. This is a new vendor, located in Saline. The exciting part of this vendor is that they will donate 10% of sales back to our club as a fundraiser. They will be handling our sweatshirts, sweatpants, t-shirts, hats, and other miscellaneous items.

Kings of Merch has made ordering online available to us. The web store link is: [www.kingsofmerch.com/collections/saline-crew](http://www.kingsofmerch.com/collections/saline-crew) and is currently accepting orders. In addition, representatives will be at our parent/rower meeting with samples and the capability to take orders in person. To save on shipping costs, our order will be grouped together and delivered to rowers before spring break. This merchant accepts credit card.

**Deadline for Kings of Merch will be March 9**

All apparel will be distributed directly to the rowers.

Feel free to contact me if you have any questions.
