

## ORDERING INSTRUCTIONS

We have two vendors for the Fall 2013 rowing season.

Our first vendor is **Henson Group Sports**. We will be using this vendor for our unisuits. These unisuits are worn during regatta competition. All rowers are required to have the unisuits. I will have sizing samples at the new rower/parent meeting on Thursday, September 12. The cost for the unisuit will be determined by the actual number of orders placed. The cost will be between \$64-\$70. The cost is driven by the actual number of suits ordered. Please be prepared to pay with a check for this clothing item. I will distribute the unisuit to the rower when they arrive—this vendor has a 15 business day turnaround time.

**Deadline for ordering unisuits is the new parent/rower meeting on September 12. No additional orders can be submitted after this date due to production restrictions from the vendor this season.**

Our second vendor is **Kings of Merch**. This vendor is located in Saline. The exciting part of this vendor is that they will donate 10% of sales back to our club as a fundraiser. They will be handling our sweatshirts, sweatpants, t-shirts, hats, and other misc items. All apparel will be distributed directly to the rowers after practice around September 26 or 27<sup>th</sup>. Kings of Merch has made on-line ordering available to us.

The web store link is: [www.kingsofmerch.com/collections/saline-crew](http://www.kingsofmerch.com/collections/saline-crew)

and will be live on the web from August 22 to September 15.

Feel free to contact me if you have any questions.
